

# Floating Docks Designer Series

A great platform for swimming and boating activities if your water level changes frequently. Floating docks are very stable and have the lowest impact on the surrounding environment. Under certain conditions, these docks may be left in over the winter.

Size		Dock		
		Frame Only	Cedar Decking	Aluminum/ Plastic
4'	10'			
	15'			
	20'	2,099	2,795	3,499
