

# Tower Docks Designer Series

Say goodbye to back pain and hello to Tower Docks! With no lifting or getting wet during installation or removal, you'll spend less time working and more time doing what you love most. Designed to work like a drawbridge, they slip effortlessly into the water each spring and stay safely above the icy water.

Size		Dock		
		Frame Only	Cedar Decking	Aluminum/ Plastic
4'	20'	1,949	2,995	4,049
